in Business Administration

Boston University Paralegal
Studies Certificate

Overview

Gabriella joined the firm in December 2024 as a legal assistant, during which she supported attorneys through document management and preparation, client communication, scheduling, and billing and administrative support. Gabriella is now joining the firm's paralegal ranks in the Business Services and Commercial Real Estate practices. She assists attorneys with a broad range of corporate, transactional, and real estate matters, supporting clients throughout various stages of business operations and transactions.

Gabriella's experience includes assisting with business entity formations and maintenance, preparing and filing organizational documents, drafting corporate documents, and supporting merger and acquisition transactions and commercial real estate closings. She works closely with attorneys to coordinate due diligence, prepare closing documents, and manage filings and transaction-related documentation.

Gabriella recently completed Boston University's Paralegal Certificate Program, where she developed a strong foundation in legal research, writing, and transactional practice. She is committed to providing organized, detail-oriented support to attorneys and clients while helping facilitate efficient and successful transactions.
