We have the knowledge and experience to advise and represent our clients in a wide range of financing transactions. Our clients rely on us to counsel them on financing transactions, including term loans, revolving credit facilities, equipment lines of credit, loans for the acquisition of business entities, lines of business or real estate, construction loans, syndicated credits, and private equity and mezzanine financing.

Our lawyers have extensive experience in representing both borrowers and banks, mezzanine lenders and private equity firms, and call upon that experience to analyze, structure, negotiate and close each transaction effectively and efficiently.
