Our clients seek to expand, affiliate, acquire or be absorbed for various strategic reasons. We walk our clients through every aspect of a merger, acquisition, or affiliation, from the initial letter of interest/non-disclosure agreement to post-M&A integration and compliance. Our experience spans both the for profit and nonprofit sectors and includes deals between hospitals, physician practices, behavioral health organizations, social service providers, skilled nursing facilities, and organizations that support community living arrangements for people with developmental disabilities. Our clients have come to trust and appreciate our industry-specific knowledge in these and other areas.
