

Reid & Riege Joins CBA Law Camp as Host Site and Sponsor of Free Summer Program for High School Students Pursuing Legal Careers

June 18, 2025

June 18th, 2025 - Reid & Riege proudly announces its participation as a host site and sponsor of the annual CBA Law Camp, a transformative summer program offered to high school students with a passion for the legal field. Held in July, the camp aims to provide talented individuals who are first-generation law school aspirants or have triumphed over adversity, an opportunity to explore and engage with the legal profession.

The CBA Law Camp program involves teams of approximately 6-8 campers, accompanied by their adult mock trial coach, visiting local law offices on the afternoon of Thursday, July 10th, 2025. This visitation allows the campers to prepare for the Law Camp mock trial competition scheduled for the same day from 1:00 pm to 4:45 pm.

Sponsoring host sites are invited to contribute to the success of CBA Law Camp by providing conference room space and lunch to the team, along with attorneys to engage with students during lunch and practice sessions.

The volunteer attorneys from the sponsoring law firms are encouraged to interact with the students by offering feedback on their legal arguments, engaging in role-playing as witnesses, and serving as a valuable resource to the campers.

Reid & Riege recognizes the significance of nurturing the next generation of legal professionals and is eager to contribute to the growth and development of aspiring young minds through the CBA Law Camp initiative.

For more information on sponsoring or participating in CBA Law Camp as a host site, please contact lawcamp@ctbar.org or 860-612-2015.
