The firm has a long history of supporting the state's nonprofit community. We take pride in supporting the missions of our clients and making the jobs of those dedicated to those missions easier. Our attorneys work with nonprofits at each stage of their life cycle, from incorporation and filing for recognition of tax-exempt status, to counseling organizations on ongoing exemption and regulatory requirements, assisting in grant applications, setting up affiliations, mergers, or acquisitions with other entities, counseling nonprofit boards and leadership on governance matters, establishing internal policies, and transitioning or concluding a nonprofit's legal existence.
